

SAFETY MEASURES AND CAMPUS COVID-19 PROTOCOLS

Texas College is committed to lowering the risk of COVID-19 transmission and illness and is working to protect the health and safety of our employees, students and guests. The support of everyone is critical to the successful implementation of the *Texas College COVID-19 Contingency Plan*. The protocols listed below, which is non-inclusive, are protocols which are encouraged in the safety of our constituents.

SAFETY MEASURES AND CAMPUS COVID-19 PROTOCOLS

CAMPUS OVER-ALL

- Masks are required at all times (in and out of class); the exception is while eating meals. The college will provide two (2) complimentary masks; additional masks are at a nominal cost and can be purchased at the Business Office Service window; appropriate face coverings are also acceptable in the absence of a mask.
- Social distancing (with a minimum of six (6) feet) **MUST** be practiced in all operational locations i.e., classrooms, offices, public spaces, resident halls and resident rooms, and during recreational activities, etc. The athletic and sport teams must practice the safety measure that are conducive for the sport(s), this may require some sports practicing in masks; masks for sports use will be provided by the college.
- Hand washing and hand sanitizing expected.
- Vaccinations for the summer sessions are preferred for faculty, staffs and students. When and where possible, the College will arrange for vaccinations to be offered.
- Daily temperature checks will take place; this should be done at your arrival to the campus and may take place each time you re-enter during the work day (should you leave). This may occur at the entrance of the campus and/or in your respective work space. However, persons who appear ill (faculty, staffs and students) should be directed to the campus nurse. Return to the workspace/classroom should be with an “approval form” as signed by the college nurse or appropriate designee.

STUDENTS - CLASSROOM

- Social distance of six (6) feet must be maintained between seats.
- Face covering must be maintained all times by faculty and students before, during, and after lectures.
- Students must use hands sanitizers as they enter the classroom
- Exchange of items (pens, pencils, note papers, etc.) is not allowed between students during presence in classroom.
- Classroom seats are occupied on first come first served basis; no students allowed to bring in seats from adjacent classrooms.

- Once lecture is finished, students must leave classroom one at a time.
- Students who arrive late will have to attend class via zoom from designated areas.
- Faculty member should monitor students' demeanor, particularly if they are coughing or sneezing; if they are, the faculty member may politely suggest they visit the college clinic for medical attention.

ATHLETICS

- Minimize large interior gatherings.
- Pre-assigned weight room time.
- Lysol spray stations throughout interior of weight room.
- Each player spray and wipe equipment after every use.
- Pre Assigned locker room time to change clothes.
- Utilize virtual meeting platforms.
- Assigned eating groups based on position played.
- Daily sterilizing spray of locker room and weight room.
- Roommate with athletes who play your position.
- Hand sterilizing stations throughout locker room and weight room.
- Temperature station at entrance of weight room.
- Keep attendance role based on groups and time of who is in the weight room or locker room together.
- Maintain three (3) to six (6) feet social distance at all times while in locker room and weight room.
- Keep a log when students leave campus.
