

Texas College National Alumni Association

Last Mile Scholarship Program

Now, more than ever, our students need our support to finish their Last Mile. The program provides financial assistance for undergraduate seniors at Texas College who are in their last semester before graduation. The Alumni Scholars Program seeks to cultivate alumni volunteers for the future by recognizing their academic achievements and potential for leadership.

The scholarship provides up to \$500.00 per person to a deserving student based on financial need. This program is made possible by the generous donations from Texas College Lifetime Members, General Membership, Corporate Friends of the of the association who are vested in assisting our students to graduate and become productive citizens.

To be considered:

1. You must be an Undergraduate, degree seeking student completing your last semester of your undergraduate degree, as demonstrated by your degree audit.
2. Complete an application which will include a one page essay on your career goals and a copy of your transcript.
3. Selected recipients will be deemed TCNAA Scholars and expected to join an alumni chapter if there is one in their area free of charge for the first year.

Scholarship Review Committee

A scholarship committee of at least 3 Texas College Alumni will review each application and vote on the awardees. Each awardee will receive up to \$500.00 per person based on need, 5 awards will be made per year. Distribution of funds will be made directly to the Financial Aid Office.
