### Step 2: Log in with User ID and Password issued by IT department.

Texas College is an historic post-secondary institution located in the heart of the East Texas city of Tyler, which provides a unique college experience for the students it serves. The College was founded in 1894 by a group of ministers of the Christian Methodist Episcopal (CME) Church who were interested in offering a quality education to African American youth. In the spring of 1894, Texas College received its original charter from the State of Texas and the teaching and learning process became a reality. The first class began in a four-room frame house with six students. From these meager beginnings, Texas College has evolved for 120 years into an institution with a rich heritage that is committed to its mission. The mission of

While the number of national coronavirus (COVID-19) cases continues to rise, the safety of

the Texas College family is our primary concern. Proactive steps should be taken by all of

us to prevent the spread of contagious diseases by practicing personal health and hygiene

each day. We urge faculty, staff, and students who have plans to travel either
