WINTER 2021 MINI-MESTER

The Winter 2021 Mini-Mester term is a three week mini semester that provides students an additional opportunity, outside the traditional academic terms, to expeditiously continue their college degree pursuits. Students are able to enroll in up to 6 credit hours during the term. Financial Aid is available for those who qualify. The Winter 2021 Mini-Mester is offered to both returning and new students.

SPRING 2021 SEMESTER

Given the COVID-19 pandemic's continued surge throughout the surrounding communities, across the state, U.S., and abroad, the Spring 2021 academic term will be hosted in a virtual landscape. However, following extensive assessment, as well as comprehensive safety implementations, Texas College will offer students on-campus residential options for the upcoming spring semester. Interested students are encouraged to reserve their dorm as soon as possible.
