

Student Announcement

Texas College Students,

In order to provide more flexible options for receiving refunds, Texas College has partnered with BankMobile Disbursements to deliver financial aid and other school refunds to Texas College students beginning in fall 2021.

The new refund program will give you the following options for receiving refunds:

DEPOSIT TO AN EXISTING ACCOUNT – Money is transferred to an existing account the same business day BankMobile receives funds from your school. Typically, it takes 1 – 2 business days for the receiving bank to credit the money to your account.

DEPOSIT TO A BANKMOBILE VIBE ACCOUNT – If you open a BankMobile Vibe checking account (upon identity verification), money is deposited the same business day BankMobile receives funds from your school.

All students will be asked to select a refund delivery preference from the options listed above. Here's what you need to do:

1. Update your mailing address

BankMobile will mail a Personal Code to the current address you have on file with Texas College. If you're not sure that Texas College has your current mailing address, please take a moment to visit the Registrar's Office to update your address information.

2. Look for your Personal Code

Starting in fall 2021, look for your Personal Code, it will arrive in a bright green envelope and by email from BankMobile. You may use any Personal Code assigned to you to select your refund preference.

3. Select how you want your money delivered

Once your Personal Code arrives, go to RefundSelection.com and enter your code to get started. Then simply select how you'd like to receive your money. If you select the BankMobile Vibe Checking Account as your refund choice, you will receive a temporary virtual Debit MasterCard® to use until your physical card arrives in the mail.
