All you need to know about refunds!

What kinds of money might I receive?

The most common type of money we disburse to students are funds left over from financial aid awards, loans or grants after tuition has been paid. Students receiving these funds have usually requested this additional support to help with books and living expenses.

Other types of money may include reimbursement for tuition overpayment or a dropped class. We use the term “refund” but your school may have another name for these funds, such as a disbursement, residual or a stipend.

How will I get a Personal Code?

There are multiple ways you can get a code:

- **MAIL:** Look out for the green envelope. Your code will be sent to the address you have on file with Texas College.
- **EMAIL:** We will send you an email with your code.
- **ON DEMAND:** Visit refundselection.com and click on the Need A Code? link.

You may use any personal code assigned to you to make your refund preference selection.

How is my money delivered?

Delivery of refund money is a multi-step process. First, Texas College draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified by your school, it is sent to BMTX, Inc. Once the specific refund information and funds are received, it is processed and disbursed according to your selection.
