

OFFICE OF BUSINESS AND FINANCE

Dear Student,

As Texas College enters into a new academic year, I would like to thank you for choosing to continue your education with us, and I would like to make you aware of a few items that may be of interest to you.

- **Laptops Will Be Available for Students Use.** Students who request to receive a laptop will be charged a deposit fee of \$250.00; the fee will be removed from the students account once the laptop is returned to the College, typically at the end of the semester.
- **A New Refund Disbursement Process.** In order to provide more flexible options for receiving refunds, Texas College has collaborated with BankMobile Disbursements to deliver financial aid and other school refunds to students beginning in fall 2021. Additional information regarding this process can be found at <https://bankmobiledisbursements.com/refundchoices/>.
- **Online Campus Store.** Texas College officially launched a new online store during the spring 2021 semester. (<https://shoptexascollege.merchorders.com/>). Feel free to “look around”, if there are items that you would like to see included in the store inventory please let us know.

On behalf of the Office of Business and Finance, we welcome you on campus and look forward to working with you during the 2021-2022 school year.

Warm Regards,

Ms. Millicent L Rickenbacker, MBA
VP for Business and Finance
