

*"Celebrating 128 Years"*

## Office of Admission and Recruitment

---

June 13, 2022

Dear Prospective Student:

Congratulations as we welcome you to join us this summer for 2022 S.T.E.P.! We strongly encourage your application before it is too late. It is my sincere hope that you will continue to reach your academic goals, and Texas College is here to help you do so by being a part of our summer bridge program!

The Summer Transition Enrichment Program (S.T.E.P.) is designed to assist incoming, first-year students' transition from high school to college. Throughout the six-week program (June 27-August 5, 2022), students will have the opportunity to become acclimated to campus life at Texas College, access academic support services, and gain firsthand experiences and knowledge of what it takes to be a successful college student while earning up to 12 credit hours. Please note, again, that 2022 S.T.E.P. will begin on June 27. In order to participate in S.T.E.P., the following is required:

- Complete the Admission Process at <https://www.texascollege.edu/summer-2022>
- Complete the 2021-2022 FAFSA at [www.studentaid.gov](http://www.studentaid.gov) and use 2019 filed income tax return information. Our school code is 003638.
- Submit a copy of your Final High School Transcript after you graduate.
- Submit Proof of Meningitis Vaccine
- Pay your \$20 Application Fee online at <https://www.texascollege.edu/summer-2022>
- Pay your \$50 Registration Fee AND \$50 Housing Fee online at <https://www.texascollege.edu/summer-2022>
- June 26, 2022 is Move-In Day
- June 27-28, 2022 is Orientation and Registration of Classes

I strongly encourage you to consider the S. T.E.P. program. If you would like to have more information, please contact Mrs. Joyce Allen at: (903) 593-8311, ext. 2221 | [jallen@texascollege.edu](mailto:jallen@texascollege.edu).

Sincerely,

*John J. Roberts*

Dean for Enrollment Management
