

Office of Student Affairs

August 1, 2022

Dear New Student,

We are excited to have you join the Texas College family and look forward to having a very exciting and productive year! I wanted to share with you that the College has on-campus residential living facilities for students and we would love to have you join the student living community as a resident.

If you have not applied for housing, it is important that you do so as soon as possible! All room assignments are done on a “*first come, first served*” basis and there is limited availability. Thus, typically the rooms go pretty fast. To that end, please complete the **Housing Application** (<https://www.texascollege.edu/housing-application>) and pay the **Room Reservation Fee (\$300.00)**.

All fees should be paid in advance by credit/debit card or money order. For credit card/debit card transactions, please contact the *Texas College Office of Business and Finance* at 903-593-8311, Extension 2231. To pay by money order, please forward your payment to the Texas College Business Office, at 2404 North Grand Avenue, Tyler, Texas 75702.

The residence halls will be available for student move-in, on August 21, 2022. And, we are looking forward to you joining the on-campus living and learning experience.

Sincerely,

Cynthia M. Marshall-Biggins, Ed.D.
Vice President for Student Affairs
