

Office of the Vice President for Student Affairs

August 22, 2022

Dear New and Returning Student:

Welcome to the 2022 fall semester! We are very excited to have you join the Texas College community and look forward to having a very active and productive academic year. Due to recent inclement weather throughout the *State of Texas*, ***classes will begin on Monday, August 29, 2022***; just make sure you have completed the *Registration Process*.

Remember, there is still time for you to participate in the on-campus living experience and become more involved with the campus community, but hurry and sign-up quickly because the rooms are going fast. Thus, ***the residence halls are open and we encourage reserving your space today!*** The link for the ***Housing Application*** (<https://www.texascollege.edu/housing-application>) has been inserted for your use. Please complete the application and pay the Housing Fee (\$300.00) to reserve your space.

Additionally, all students must submit proof of a negative COVID-19 test that has been taken within 24 hours prior to arriving at the College. Any student without proof of a negative test will be tested upon entering the campus and prior to being permitted to register or move into the housing facilities (***Testing on campus is provided until 3:00pm Monday-Friday***). Lastly, best wishes on your academic success and good luck on achieving your educational goals.

****All students arriving after business hours, without verification that the housing fee has been paid will be required to submit a Money Order for the \$300.00 prior to being assigned a room.***

Sincerely,

A handwritten signature in black ink that reads "Cynthia Marshall-Biggins".
