

## Texas College Office of Financial Aid Loan Cancellation Form when receiving Outside Scholarships 2017-2018

---

**Student's Name** (Last, First, M.I.) Please print

---

**Student Identification Number (SID)**

Often times students can receive additional scholarship funding that would assist students with their federal obligations, such as federal direct student loans.

Please be advised that by signing this form, if you receive any outside scholarship funds that would not create a compliance issue in your financial aid budget, Texas College will automatically return your loans to decrease the funds you would owe to the government.
